### A Request to All Visitors

Biei's beautiful scenery is the result of the hard work carried out by Biei's farmers. All are farmer's important agricultural land. Access is restricted to asphalt roads only. Please do not enter Biei's fields.

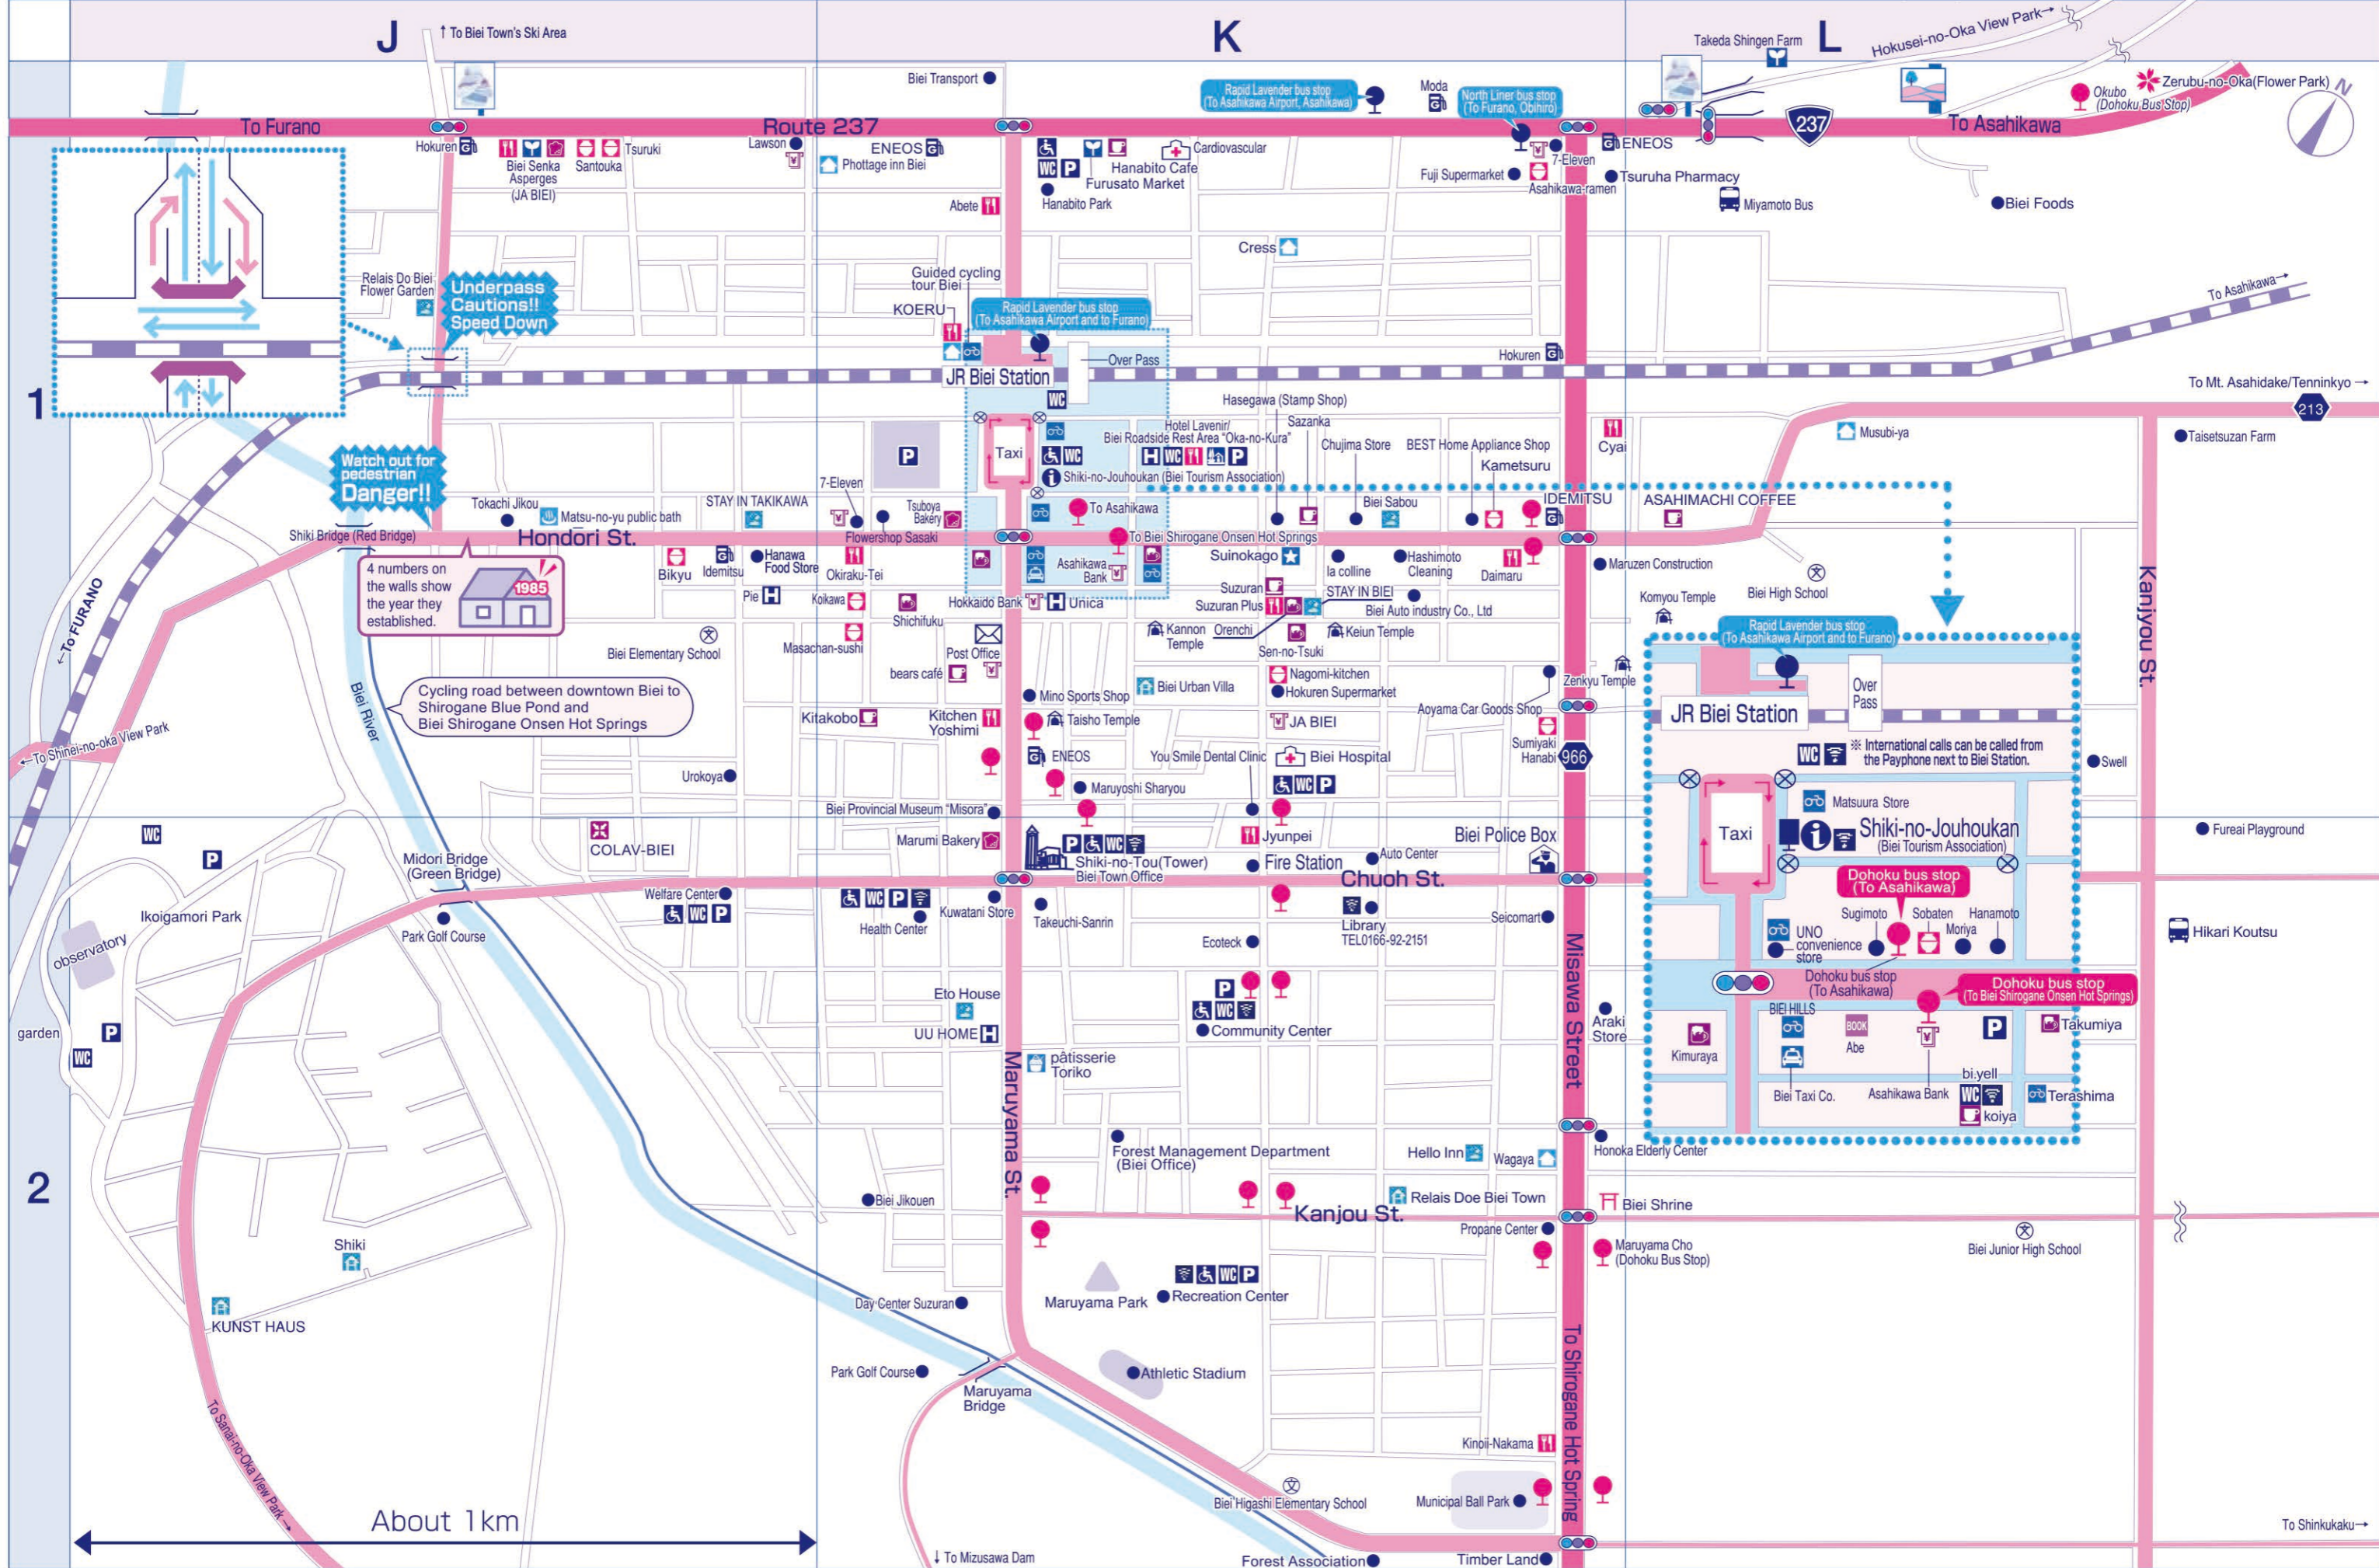

- Bacteria and pests on the underside of your shoes can come off into the soil and cause tremendous damage to crops.
- All fields are private land. Even areas that look like a vast park are important agricultural land.

Please follow Biei tourism manners and create pleasant memories in the hill town Biei.
